A Greenback Case.

PUBLIC NOTICE IS HEREBY GIVEN THAT JOHN FRANK, who lives two doors above Joseph Sposito, Main street, Dalles, has paid me $544 86 in Greenbacks at par, which should have been paid in coin. I do not lose anything, as John Sposito told me that if John Frank did not pay he would see it paid, or pay it himself; but I give this notice to show the meanness of the act.

SATURDAY MORNING, DECEMBER 24, 1864

News of To-Day

Savannah [illegible] Sherman [illegible] to have it [illegible] the dee ous [illegible] must surrender with the fall of the place.

Our relations with [illegible] and the Government is [illegible] satisfied with the efforts of the Canadian [illegible] to preserve neutrality. The [illegible] Vice Admiral has been created and the appointment [illegible] rught was made [illegible] the President and immediately [illegible].

General Lee is reported to have [illegible] before Petersburg [illegible] they announce that he will [illegible] be at the head of the army.

Early's army is reported by two deserters who came into Sheridan's camp to [illegible] of 5,000 men without cavalry. [illegible] say flesh and blood could not stand their treatment [illegible] hunger and they left him.

McCook is reported to have [illegible] out Lyon in Kentucky and have captured most of his artillery.

The fleet under Porter has arrived at Beaufort [illegible] what its intentions are and what the troops with it are intended for we shall learn in due time though probably it is to aid the contemplated operations under Sherman.

The rebel Senate [illegible] said to have determined to arm the negroes and all able bodied slaves, it is said, are being conveyed to camps of instruction. A [illegible] also in our dispatches [illegible] this [illegible].

Hood is still retreating and still pursued and we are promised a further report of him by the victorious legions of Thomas.

Foote has retired from the rebel House after indulging in some wholesome statements of truths to the rebel Congress. He announces ruin as approaching and recounts rebel losses and recites the cause. His speech is significant of the end as Foote is just clever enough to be the first Confederate rat to leave the falling house.

The London *Times* remark of Sherman that his march equals that of Marlborough in Germany leading to the battle of Blenheim, as by the most brilliant effort of modern times. It had not heard of the result but declares that success will raise him to the highest rank [illegible] will be utter ruin.

The London *Herald's* Paris correspondent says that Napoleon told Slidell that the South must now make the best terms it could with the North. The tone of the French press is said to be much more polite to the United States than heretofore and the relations between the countries is of the most friendly character. Confederate stock falls, Union stock rises and France is mercurial as the times.

Washington Territory and the Mint

A friend right from the seat of government of Washington Territory informs us that the Solons of the Legislature there have [illegible] wise forethought passed a memorial requesting Congress to not only keep the mint located at the Dalles but to go to work and build it directly, and in the highest tone of compliment informs Congress that the said Territory confirms the wisdom of its choice in the matter of the location.

Now there actually is such a [illegible] of Washington, whose interest in the Mint question is to say the least of it very [illegible] indeed. There used to be an extensive mineral region attached thereto, that belongs to it no more and its pronouncing in favor of Dalles amounts simply to this: Walla Walla has a jealousy to gratify and tries to gratify it by favoring some other place than Portland. Our neighbor counts across the Columbia cannot see why there should be any town on the Willamette to compete with their claims that the principal emporium of the Columbia river trade should be built up on the north side of that river and within that county's bounds. To help the thing along, the people upon the Sound [illegible] and have tacitly yielded to the suggestions of the southern counties, and so the memorial passes with a malicious sneer at Portland [illegible].

But speaking of coolness we call attention to one assertion that is absolutely refrigerating and absolutely impudent as well as false and it is this speaking of the location of the Mint at Portland that Legislature says [illegible] accomplished will prove a serious [illegible] and disadvantage to the entire population of Eastern Oregon" &c.

We know what Idaho Territory wishes, judging by the many expressions uttered by those who come from there. That Territory is intending to ask for a Mint at Boise City [illegible] will be built in time and while it prefers Portland as a location to one immediately [illegible] present need, still is more intent on having a [illegible] at Boise than anywhere else but in speaking for Eastern Oregon, Washington Territory simply contradicts what the Legislature of this State has [illegible] unanimously [illegible] another memorial asking [illegible] to assist them [illegible] that abound so plentifully in the [illegible] speaking for Eastern Oregon we know of three gentlemen whom Mr [illegible] of Wasco told that Portland was his [illegible] secured many signers to a petition [illegible] here from the [illegible] he came.

We have no doubt that [illegible] and but [illegible] working for the Dalles [illegible] large part [illegible] remembered [illegible] from this State [illegible] its representatives [illegible] themselves [illegible] the State [illegible] emphatically [illegible] the issue [illegible] properly [illegible] kept that [illegible] include Eastern [illegible] there might be [illegible]

Olympia Correspondence.

[illegible]

In my letter of [illegible] legislature up to that date I will continue by your permission to [illegible] with a summary of the most important transactions [illegible] under my observation during my stay in the place.

[illegible] the House [illegible] of [illegible] according with a resolution [illegible] House [illegible] special attention.

A [illegible] Council [illegible] The Council permanently [illegible] by the election of Frank [illegible] James [illegible] Chief Clerk [illegible] Asst Clerk.

The new House met in Joint Convention on Monday the 12th to receive the [illegible] of the Clerk [illegible] which was read by the Chief Clerk [illegible] The Message [illegible] document.

Between thirty and forty bills have been presented in the House, a large proportion [illegible] and bridge charters, the most important of which I will report when they are finally disposed of.

The following petitions and memorials to Congress have been passed by the House:

For the removal of the Custom House from Port Angeles to Port Townsend [illegible] houses.

For the establishment of a Distributing [illegible] Office at Walla Walla [illegible]

For the establishment of a Branch Mint at Dalles, Oregon.

For an appropriation of land to build a wagon road from Seattle to Walla Walla.

For an amendment of the Organic Act providing for biennial sessions of the legislative assembly of Washington Territory, and increasing the pay and time of service of its members.

In the Council very little business has been transacted.

On the 10th inst the Union Central Committee of Washington Territory met in Olympia and fixed upon April 1th, 1865 as the time for holding the Union Territorial Convention for the nomination of a candidate for Delegate to Congress and [illegible] Lewis county as the place for holding the Convention. The number of delegates to be the same as the representatives [illegible] to the present apportionment [illegible] thirty members.

Last Monday Dr. A. [illegible] Surveyor General for this Territory left here very suddenly and unexpectedly for Washington. His departure causes some little uneasiness among certain officials and there are various conjectures in regard to the object of his visit to the East.

California News.

SAN FRANCISCO, Dec 23.—The Court of Inquiry in Capt [illegible] has failed to find the slightest grounds for the charges alleged by the [illegible].

Julia Stanford sues A. Vandecat [illegible] Dennis Gordon for $20,000 damages sustained by falling into a hole in the sidewalk before the defendants premises.

Joseph Chard sues the San Jose Railroad Company for $4,000 for losing a trunk. McDermot was sentenced to ten years imprisonment.

Frank Lloyd [illegible] lately arrived dropped dead to-day with the heart disease.

The Savage Company declared seventy-five dollars dividend to-day for the purpose of [illegible]

Advices from Arizona report a rich strike by the San Francisco Mose [illegible] Company in their shaft and $200 per foot was offered for the stock to-night.

WASHINGTON TERRITORY.—We had a call from Judge Wyche [illegible] to Vancouver from Olympia. The Judge left Olympia on Wednesday and informs us that the Supreme Court of Washington Territory adjourned on the 20th inst after making the following disposition of the cases before it:

F. Carpenter vs W. D. Batterton judgment below affirmed.

Caroline Edwards vs the Territory of Washington, judgment below affirmed.

Jarvis J. Bush vs the Territory of Washington, judgment below affirmed.

H. P. Isaacs vs [illegible] & Mix, judgment below affirmed.

John C. Charles [illegible] Mullan vs Lewis A. Mullan judgment below reversed.

[illegible] W. Vaughn vs Ira Patterson, judgment below affirmed.

Kirney vs H. C. Hawthorne, case dismissed.

Mullan Brothers vs [illegible] judgment below affirmed.

There were a few other cases before the Court which were not disposed of at the late term.

The Legislature had made but little progress in business and would probably adjourn [illegible] week for the holidays.

ANOTHER MINING CORPORATION.—We notice the incorporation of another mining company in this city—The Owyhee Home Ticket. This company has organized upon the well known Home Ticket ledge in Owyhee, one of the richest and best lodes [illegible] of that district. Three shafts have been sunk upon the ledge and the [illegible] a fact working [illegible] itself to be very rich [illegible] President and Benj. N. Norden Secretary [illegible] among the list of Directors Capt J. B. Wilbur, who ranks among the ablest and most experienced mining engineers at Owyhee. Capt W. has for some years [illegible] had charge of the Ophir mine in Virginia City and was for many years Superintendent of the Royal Copper mine of Cuba [illegible] breaking out of the rebellion was Superintendent [illegible] the gold and silver mines in North Carolina. It is the intention of the Directors to proceed at once with the erection of a mill. If the services of Capt Wilbur are secured the stockholders will be fortunate indeed.

CHRISTMAS.—To-morrow will be Merry Christmas, and the fact may be read in the faces of the children everywhere plainly written in unmistakable characters. DEATH OF JAMES BIRNEY.—By the arrival of the steamer *[illegible]* Thursday morning, we learn of the death of Mr James Birney of Cathlamet. Mr. Birney has been identified with the interests of the Columbia river for over forty years. He came to this region of country in company with Governor Douglas, late of British Columbia, a few years after the transfer of Mr. Astor's interests in the fur trade to the Northwestern Fur Company, and was Agent for that company for many years, and afterwards held the same position with the Hudson Bay Company. The hospitality of his house at Cathlamet has been shared [illegible] from the earliest times of the settlement of the country up to the present, and although a very aged person we remember that it was his pleasure to recount the scenes of those early days but a few months since. He was a native of Ireland, and of hardy constitution, large proportion of stature, and full of generous impulse, especially favorable to the races of the forest, and inclined the more to honor them than distinguish their appointed agents by crediting any desire to elevate them in the standard of morality and civilization. Mr. Birney had done much to endear him to his fellow man, and the news of his decease will be received with many sorrowful countenances in Portland and elsewhere. He leaves a family of sons and daughters, some of whom are married, and a wife to mourn his loss.

PECULIARITIES OF THE FAIR.—Among the articles exhibited at the late Fair for the Christian Commission, at Turn Verein Hall in this city, were a skirt, some shot and a shell, also a sampler made in 1788. The skirt, according to a note attached, was made by Nuns in Paris over a hundred years ago, and has only been worn twice since the Revolution, when it was loaned for use in the benefits of the U. S. Sanitary and Christian Commissions. The shell was from Donelson, emptied of its contents, and the shot was found on Island No. 10. The sampler contains some words of Scripture and a remark touching the occupation of its youthful maker, with alphabets in several stitches.

REV. MR. MINGINS will preach at the Presbyterian Church to-morrow morning, and at the M. E. Church in the evening. Mr. Mingins has been quite successful in procuring funds, says the *Advocate*. Since his arrival his receipts have amounted to $4,535 72, one half in coin and the balance in currency. In Portland Mr. M.'s introductory lecture was in the Methodist church on a week evening, and amounts to $2[illegible]1 25, about one half in coin and the balance in currency. He received at the Congregational Church $40 75. At the Presbyterian Church on Sunday evening (a union of all congregations) $372 50, nearly all in coin. The ladies at the Fair for the United States Christian Commission realized about $1,[illegible]00, all in coin.

RECORDER'S COURT.—In Recorder's Court yesterday William Casey was arraigned for violent, riotous and disorderly conduct, and for resisting Marshal Hoyt while endeavoring to arrest another party, refusing to assist when demanded by the officer, and was fined $20 and costs, which he paid. The following parties were fined for riotous conduct, and in default committed to jail: J. J. Weir, $15; L. Jones, $10; James Connelly, $10; which fines would insure several days work on the streets in removing old plank walks and laying down of new, in case the ordinance of the Council was completed and in force.

MACHINERY FOR THE UPPER COUNTRY.—There is in this city, and on the way from San Francisco at the present time, a quartz mill of immense capacity, with thirty stamps, which is being conveyed to South Boise, under the direction of Dr. R. B. Farnham, as Superintendent of the New York and Idaho gold and silver mining company, an incorporation of New York capitalists. The ton of rock taken through this city last season by the Doctor reached New York city in shape, and this machinery may be said to be result of it. The New Yorkers are beginning to talk very much of Idaho.

A PRESENT.—Mr. Saxer sent to our office yesterday [illegible] dozen samples of his choice liquors. There was *Richelieu* [illegible] *Berg* of a recent date, pure *Cognac*, excellent *Peach Brandy*, Oregon *Champagne Cider* and California wine. The boys filled a bumper and drank to the success of Saxer, and all recommend his stock. Persons [illegible] for the holidays are advised that he has a varied assortment to select from on Front street, between D and E streets.

NAVIGATION.—The steamer *[illegible]* made a successful trip to the Cascades yesterday, but met with ice [illegible] mouth of [illegible] Dalles. To-day she will return to the Cascades and lay up until a steamer from above shall meet with her, unless the weather should be too severe. The *Fannie Troup* will leave Vaughn's wharf at 10 A. M. for Vancouver, and in case the weather is moderate will not return until Monday.

EXTRAORDINARY SALE.—We have noticed very many auction sales in this city during the past year of importance, but not one of them could combine the attractions offered at the regular sale of Mr. Richards, in which is a very [illegible] fair for the holidays [illegible] at 10 o'clock to-day, at the Auction Rooms, corner of Oak and Front streets. He will dispose of [illegible] ment of silks, furs and dress goods.

HOTEL IMPROVEMENTS.—The [illegible] of the Pioneer [illegible] extended to Front street [illegible] case of the [illegible] reading room [illegible] on the [illegible] with [illegible] in San Francisco.

MAXIMILIAN'S AMBASSADOR REJECTED BY THE COURT [illegible] —[illegible] correspondence of October, to the N. Y. *Herald* says:

"A new arrival has just taken place here [illegible] Maximilian, may it [illegible] from the palace of the Montezumas. But [illegible] at home. Her Majesty's ministers have consulted on the matter, and the new Mexican Minister [illegible] word, Russell [illegible].

"There is a stranger from beyond the sea, who [illegible] but we don't [illegible] to learn that no credentials have yet been received in the drawing room of our nearest neighbor, a very [illegible] and powerful gentleman by the name of Jonathan. And this Mr. Jonathan being a cousin of an old friend of ours—in fact, we usually call him Brother Jonathan—we want first to know his opinion of the stranger. He has only lately set up in business for himself, and if we should recognize him at once it would give him position and credit throughout the world; and should he prove to be a mere worthless adventurer—which we half suspect—we should be placed in a mortifying position. His plantation being very near Jonathan's large farm, and Jonathan, too, being, besides a near neighbor, a shrewd judge of human nature, we must wait till we learn Jonathan's opinion. Besides, Brother Jonathan might take it rather unkind of us to endorse this Mr. Maximilian, or his agent, before he does it. And besides, Jonathan, between ourselves, has a pretty high temper, and being very powerful, owning many ships and having numerous servants and retainers, all thoroughly armed, he might take it into his head, if we offended him, to give us a regular drubbing. We old men remember how he gave us a severe thrashing some 50 years ago, and our grandfathers tell us that was nothing to the thrashing he administered to us some thirty years ago, and Jonathan then was a mere stripling compared to what he is now. So of course we must defer to Jonathan's opinion in the matter."

That, you may be assured, was the substance, if not the exact words of the conversation.

Cure Your Cold, Save Your Lungs.

NEWELL'S
PULMONARY SYRUP
HAS
CURED THOUSANDS!
And it will Cure You!

"A Cough is generally the effect of a Cold, which has either been improperly treated or entirely neglected. When it proves obstinate there is

Always reason to fear the consequences,

as this shows a weak state of the lungs, and is often the forerunner of Consumption."—Buchanan's Domestic Medicine.

STOP THAN COUGHING!

Some, if you can't, and we pity you. [illegible] You have tried every remedy but the one destined, by its intrinsic merit, to supersede all similar preparations. It is not surprising you should be reluctant to try something else after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but

NEWELL'S
Pulmonary Syrup!

Is really the VERY BEST remedy ever compounded for the cure of Coughs, Colds, Sore Throat, Asthma, Whooping Cough, Bronchitis and Consumption. Thousands of people in California and Oregon have been already benefited by its surprising curative powers.

WHAT KILLED HIM!

Dr. Hall, in his "Journal of Health," speaking of the death of Washington Irving, asks the above question, and adds: "He might have remained with us for some years to come had it not been for [illegible]. Kindly intended, no doubt, but given in thoughtlessness and reckless ignorance.

He Had a Cold!

Which, by some injudicious prescription, had been converted into asthma." Let me say to Dr. Hall that that "prescription" was not

NEWELL'S PULMONARY SYRUP.

KEEP IT IN THE HOUSE, use it freely, give it to your children upon the slightest indications of a Cold, and you will think and speak of it as all do who have become acquainted with its merits.

[illegible] Plantation Bitters [illegible] cured me.
"A. FLAUTE."

"[illegible] Warsaw, [illegible], July 29, 1863.
[illegible] EDWARD WOUNALL."

The following is from the manager of the Union Home School for the Children of Volunteers:
HAVEMEYER MANSION, Fifty-seventh St.,
New York, August 2, 1863.
Dr. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. Respectfully,
Mrs. O. M. DEVOE."

"[illegible] I owe much to you, for I verily believe the Plantation Bitters have saved my life.
Rev. W. H. WAGGONER, Madrid, N. Y."

"[illegible] Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend,
ASA CURRIN, Philadelphia, Pa."

"[illegible] I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
Rev. J. S. CATHORN, Rochester, N. Y."

"[illegible] Send us twenty-four dozen more of your Plantation Bitters, the popularity of which is daily increasing with the guests of our house.
SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

"[illegible] I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.
G. W. ANDREWS,
Superintendent Soldiers Home, Cincinnati, O."

"[illegible] The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY, Cleveland, O."

"[illegible] The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE, 254 Broadway, N. Y.
etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

Notice.—Any person pretending to sell Plantation Bitters in bulk or by the gallon, is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE
BLADDER, KIDNEYS,
Gravel, Dropsical Swellings,
GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATTENDED this invaluable medicine renders it the most valuable discovery ever offered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure of the maladies above-mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS.

And in every disease any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once relieved, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step, his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor.—The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING OR PAINFUL URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT, AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give it praise.

CONSTITUTION WATER.
Males or Females,

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.

It is well known that the medicinal effects of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the PERUVIAN SYRUP this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M. D.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DISCOVERY of the age [illegible] and it is impossible to [illegible] estimate the influence of this remedial agent. Iodine [illegible] Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is highly beneficial in the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS and GLANDULAR SYSTEM,
and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and labor which have been devoted [illegible] its administration, it had proved almost useless until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process to dissolve [illegible]

PURE IODINE IN PURE WATER.

without a solvent. This, considered impossible by the scientific world, is attested by the certificates of analysis from Dr. J. R. Chilton, Chemist, and Prof. Booth, U. S. Mint, Philadelphia. The discovery was [illegible] highly appreciated by the Faculty that it was published in the Medical Journals, and highly recommended to practitioners. (See "American Medical Monthly," July 6, 1856, page 76.)

This valuable medicine is now available to the public for the cure of Scrofula in all its protean forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

its operations are evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color, hitherto pale, relaxed and feeble, he becomes full, strong and florid.

LUNG BALSAM!

The Remedy for Curing
CONSUMPTION, COUGHS, COLDS,
Asthma, Croup,
Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction, even in the MOST CONFIRMED CASES OF CONSUMPTION. IT IS WARRANTED NOT to produce costiveness, (which is the case with most remedies) or affect the head, as it contains no opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.

LE DOYEN'S
SARSAPARILLA, YELLOW DOCK
—AND—
IODINE ALTERATIVE
FOR THE
CONSTITUTION.
CLEANSE THE BLOOD.

WITH corrupt, disordered or vitiated Blood you must be sick all over. It may burst out in pimples or sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and repelling disease. Hence it rapidly cures a variety of complaints which are caused by impurities of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases.

Blood and Liver.

This valuable Medicine is now available to the public for the cure of

SCROFULA, CONSUMPTION, RHEUMATISM, CANCER, HEART, LIVER AND KIDNEY DISEASES, NEURALGIA, NERVOUS AFFECTIONS, BRONCHITIS, DYSPEPSIA, &c.

AS A TONIC,

its operations are evinced by strengthening the digestive organs and increasing the appetite. In cases of Dyspepsia, Emaciation and Debility, an increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping over you, and should be averted by a timely use of the right remedy. Take Le Doyen's Sarsaparilla; and cleanse out the disordered system—purify the blood, and let the fluids move on unobstructed in health again.

AS A LITHONTRIPTIC,

it has no equal; being chemically combined with Iodine, it possesses in a high degree the power of dissolving Stone in the Bladder, and ureters of the kidneys, preventing gravel formation and enlargement of the prostrate glands, irritation of the neck of the bladder, dropsy, etc.
